

AGE REQUIREMENTS & PREGNANCY ALLOWANCES **FOR CRUISE LINES**

All guests under the age of 18 are to be in a cabin with an adult, and must remain supervised at all times, and their safety is the responsibility of the accompanying adult(s). Children between the ages of 4 – 10 at the time of embarkation may share a cabin with 2 adults provided the child is able to share the bed with the adults – no additional bed will be provided. Please be aware that balcony cabins of any kind may be unsafe for small children if left unsupervised. Children 4-7 years old are not recommended on any program and on our Africa program, due to safety precautions, there is a minimum age limit of 12 years old, unless otherwise agreed upon by AmaWaterways. AmaWaterways does not provide child-specific programs or child-minding facilities.

PREGNANT WOMEN

For the safety of parent and child, and depending on various circumstances, passengers who are at an advanced stage of pregnancy (after 5 months) may be subject to restrictions or exclusion concerning their ability to travel and/or board a ship. Please inform us immediately, so we can assess your personal circumstances and possible accommodation.

Travelers who are under 18 years old on the departure date must be accompanied by an adult throughout the vacation and are requested to share an adult's accommodation. Children under 8 years of age are not allowed on any Avalon vacation. For any special requirements regarding airline tickets for children, contact your airline directly.

There are no discounts for young travelers on Avalon cruise vacations.

Due to heightened security, many countries have adopted practices to prevent international abductions of children. If a child will be traveling with adults other than the parents or with only one parent, it is recommended that a notarized letter be written by the parents or non-traveling parent granting authorization to travel, including the dates of travel. We suggest that you also contact the appropriate consulate and airlines because they may have additional requirements or recommendations.

PREGNANT WOMEN

Avalon does not have specialized facilities and/or treatments required for childbirth, prenatal, or early infant care on board its cruise ships, nor may those facilities be available at ports of call or on land stays. Avalon strongly urges pregnant travelers to consider the risks of traveling where necessary medical care for pregnancy may not be available and may not be reachable in a timely manner to address potential medical complications, problems, and emergencies that can occur during pregnancy.

No guest under the age of twenty-one (21) will be reserved in a stateroom unless accompanied by an adult twenty-one (21) years of age, or older. This age limit will be waived for minor children sailing with their parents or guardians in adjacent staterooms or under-aged married couples (proof of marriage is required).

Infants sailing on a cruise must be at least 6 months old as of the first day of the cruise/cruisetour; provided, that for Transatlantic, Transpacific, Hawaii, select South American and other selected cruises/cruisetours, the infant (as of the first day of the cruise/cruisetour) must be at least 12 months old. As of April 22, 2008, the list of cruises to which the 12 month minimum age requirement applies is as follows: All Transatlantic and Transpacific cruises/cruisetours; any cruisetours associated with these cruises are also subject to the 12 month minimum age requirement.

Denial of boarding for infants who do not satisfy these minimum age requirements may also result in the denial of boarding for one or more guests sailing with that infant. No refunds or other compensation shall be due from cruise line to anyone as a result of the denial of boarding to an underage infant or other accompanying guests.

The Group policy is slightly different because of stricter group terms and conditions including mandatory chaperones, damage deposits and other considerations.

The guardian does not need to be a legal guardian

The bookings must be cross-referenced with the relative or guardian's stateroom and documented properly

Guests who are 21 to 24 years of age may travel with their minor children.

Guests 12 and younger

Guests under the age of 18 are not permitted to gamble or enter the casino. Guests who are under 18 years of age are not permitted to purchase or consume alcohol on board. If the other parent is deceased or the child has only one legal parent, a notarized statement must be obtained as proof. Your travel professional can provide additional information about this requirement.

Please Note: In an effort to prevent international child abduction, many governments have initiated procedures at entry and exit points. These often include requiring documentary evidence of relationship and permission for the child's travel from the parent(s) or legal guardian if not present. Having such documentation on hand, even if not required, may facilitate entry or departure. For specific information regarding the country to which you are traveling, please visit <http://travel.state.gov> for country-by-country information. Parents, guardians and chaperones are responsible for overseeing the conduct of minors in

their care. As such, minors may not be left unsupervised on board the ship. Minors should receive the same oversight that would be provided when visiting locations such as a large resort or theme park. A parent or legal guardian MUST accompany all children under the age of 18 on all tours for safety and liability reasons.

Minors Going Ashore Parents and guardians are responsible for deciding whether or not minors under age 16 are allowed to go ashore without adult supervision. If you want to permit a minor traveling with you to go ashore without an adult companion, please discuss this in advance with the ship's Security Officer so that they can make a notation of this in our gangway control system software. Absent this approval, our security personnel will generally prohibit minors from leaving the ship without an adult companion although we cannot provide absolute assurances in this regard. It is ultimately the responsibility of parents and guardians to ensure that minors traveling with them act in accordance with their instructions.

Guests must notify Silversea of any children between the ages of 6 months and 1 year who will be sailing on board the ship. A signed and notarised waiver will be required for all children between these ages. Although Silversea accepts guests over the age of 6 months (over the age of 1 year for Silversea Expeditions), there are no special programmes for children on board, and Silversea does not provide for the care, entertainment or supervision of children. Silversea reserves the right to limit the number of children less than 3 years of age.

In addition, the Zodiacs used for Silversea Expeditions are unable to accommodate children younger than 6 years of age. As Silversea does not provide babysitting services, an adult family member will be required to remain on board Silver Explorer with their child(ren) during Zodiac excursions.

In our experience, most young children—especially those under 4—are simply not yet old enough to enjoy river cruising. We make no special arrangements for little ones and offer few kid-friendly activities onboard or onshore. (One exception: Our Multigenerational Family-Friendly Cruise Program, available on select itineraries during the summer and the winter holiday season) Children under 18 must be accompanied by an adult 21 or older at all times.

PREGNANT WOMEN

Guest may not sail if term is six months or more. Under six months, Uniworld does require a fitness to travel letter from the pregnant guest's physician

Due to the nature of our cruise itineraries, Viking Cruises does not maintain facilities or services for children aboard cruise vessels. On all cruises and cruise journeys, minors under the age of 18 must be accompanied and share a cabin with a parent, legal guardian or other responsible adult over the age of 21. We reserve the right to limit the number of minors under the age of 18 years on board. The carrier reserves the right not to accept passengers who are in an advanced state of pregnancy either upon commencement of or at any time during the river or ocean cruise.
